

Marta I. Fuentes

COLORIST · STYLIST · ESTHETICIAN

Waiting for the day to accomplish her long life dreams, Marta launched herself as not only an extremely fulfilled colorist and stylist, but esthetician as well. She specializes in precision cutting and with her artistic vision and impeccable attention to detail, she enjoys working with clients to create styles individualized to their needs. She is constantly working on innovative techniques always pushing the boundaries of hair.

Marta is trained in and has expanded upon the cutting techniques through different companies. One of which had an immense impact in her life in Argentina which was Roberto Giordano; an important hairstylist that has many franchises all over the country. Having faith in herself, is what has allowed her to escalate into the hair industry.

Education is paramount to any hairdresser's growth and development. Having 30 years of experience in the career with each day that passes there is always something new to learn. Working with the Robert Allen Salon & Spa greatly creates a highly professional atmosphere. It's a salon with distinction that will pamper you. She looks forward to providing each and every client with a modern, customized hair design that fits their individual life-style. Hair is like art, in all its forms, it has captivated her, and no doubt it will be her life's work.
