Micki is passionately inspired by her entrepreneurial spirit, visions and humanitarian deeds. She is the owner and founder of her business "Mazza Designs Consulting, Inc." a distinctively Green and New Inspired designed jewelry collection, (Reflecting Cancer) embracing meaningful messages intertwining eclectic symbolisms and designs. She has donated her exclusively designed pieces to reflect the causes of several charities. The LLS Foundation, MOA Museum of the Arts, and she hopes to help in Children of sexual Abuse.

On a personal level, Micki enjoys her freedom of expression in unlimited creative projects. "Designing is my LIFE... Making something out of nothing, as in her coloring or designing hair, everyone has something beautiful about them; I really enjoy bringing that out." It's the real people in my business that inspire me, as well as creating my custom jewelry, accessories, cooking, my writings, interiors, and working & developing my many upcoming concepts & ideas.

"I have never settled for the Status Quo - Nor will I ever!" Says Ms. Mazza- It all just comes naturally for me... Micki is the quintessential artist.
